

## WATER FEATURES FROM ARTBEATS

[www.artbeats.com](http://www.artbeats.com), 001 541 863 4429

Artbeats has released *Waterform*, a unique selection of clips that feature realistic computer-generated water drops superimposed on footage to form various shapes. The collection comprises 26 royalty-free clips. It is available in HD 1,920-x-1,080, D1 NTSC 720-x-486, or D1 PAL 720-x-576 resolutions. HD volumes cost \$899 each, while the SD version costs \$599. Clips can also be purchased individually - prices start at \$199 for SD and \$300 for HD.

## ALAMY REPRESENTS ASIA IMAGES GROUP

[www.alamy.com](http://www.alamy.com), 01235 844 600

Alamy has acquired rights to represent the Asia Images Group. This is a collection of Asian model-released lifestyle and business images, reflecting current Asian trends, styles, and issues, says Alamy. The collection aims to meet the demand for culturally relevant Asian images, for the local and global markets. The collection on Alamy is royalty-free, and can be browsed at Alamy's Web site.
