

## ALAMY HITS A MILLION

[www.alamy.com](http://www.alamy.com), 01235 844 600

Alamy Images now offers over one million images, from agencies and sources from around the world. The UK-based company announced this milestone as it expanded its operation to the US. Launched in 2001, Alamy has recently signed a number of new contributors to its roster of photographers.

Categories include lifestyle and people, concepts, business, and travel. Images are available to purchase at the company's Web site.
